## Dodge NSTUVSC200L Take-Up Ball Bearing

Bearing No. NSTUVSC200L

|                              |                               |
|------------------------------|-------------------------------|
| d                            | 2.0000 in                     |
| overall length:              | 155.7 mm                      |
| slot spacing:                | 112.98 mm                     |
| overall height:              | 136.7 mm                      |
| slot width:                  | 7.95 mm                       |
| lubrication type:            | Lubrication Fitting           |
| unit type:                   | Side Mount                    |
| dynamic load capacity:       | 9755 lb                       |
| compatible frame number:     | NS407                         |
| expansion type:              | Non-Expansion Bearing (Fixed) |
| housing material:            | Cast Iron                     |
| B                            | 2-7/32 in                     |
| locking device:              | Set Screw                     |
| rod hole diameter:           | 25.4 mm                       |
| seal type:                   | Contact/Lip                   |
| series:                      | 211                           |
| finish/coating:              | Uncoated                      |
| manufacturer catalog number: | 125547                        |
